Board members discussed idea of giving away another **raffle car** to raise money. Skip opened up discussion to the club for feedback from the membership. If we do this, we would likely give away the car at H & H in September 2010. Ed Hare did talk to Mickey from H & H. He will help us find a car and wholesale it to us. We will have to carry the insurance. He will allow us to put it on his lot with signs. Marlin Ludt and Ed Hare and a few other members will chair the exploratory committee and report back.

Open to the floor:

Jim Staver discussed possibility of the group meeting at the Adams County Winery in August. He will pursue this and bring back more information. There is no charge to get in. They do sell food and wine. They will give us our own tent for \$150, which we could divide between members. Tentatively looking at August 8th.
