Items for Discussion

1. Reimbursement checks are ready for Pocono workers
2. Jim Fusco and Bill Sangrey had additional information on the "Vettes in the Valley" fund raiser. The Board is recommending we proceed with this event with a motion that the event must be within \$500 of "breaking even" by July 9th, or the event would be cancelled. Volunteers will be needed to solicit businesses to sell ads for the map.
