SPEAKER FOR THE MONTH - Bill Sangrey introduced Andy Destot as our speaker for the month.

Andy told the membership that he has Cerebral Palsy and in 1995 rode in a Corvette at the Annual Fly-in at the Capital City Airport. When Andy was 18 yrs old he decided that instead of smoking like his friends, he would take just \$5.00 a day and set it aside to buy a Corvette and he set a goal of having that money by the age of 26. At the age of 22 and only four years into his saving, he purchased his FIRST Corvette. That \$5.00 a day pays for all his expenses, gas, any repairs, his Corvette Club dues, going to NCCC Conventions, etc. Andy has such a positive attitude, and said that if you make a goal, stick to it. When that goal is reached, set a new one. Andy made a second goal and that was to purchase his second Corvette and has attained that goal. He is working toward a third car now that his Mother owns one and Dad owns one.

*** After Andy speech, President Bob Bowen made a motion to the membership to pay for Andy, one year of Membership in CVCC. Motion carried..
